

# DATA PROTECTION

This website uses Google Analytics, a web analytics service provided by Google Inc. ("Google"). Google Analytics uses "cookies", which are text files placed on your computer, to help the website analyze how users use the site. The information generated by the cookie about your use of the website (including your IP address) will be transmitted to and stored by Google on servers in the United States. Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage. Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser, however please note that if you do this you may not be able to use the full functionality of this website. By using this website, you consent to the processing of data about you by Google in the manner and for the purposes set out above.

Insofar as Google AdSense, a web ad service of Google Inc., USA ("Google"), places advertisements (text ads, banners, etc.) on this website, your browser may store a cookie sent by Google Inc. or third parties. The information stored in the cookie can be recorded, collected and evaluated by Google Inc. or third parties. In addition, Google AdSense also uses "web beacons" (small invisible graphics) to collect information. These beacons can be used to record, collect and analyse simple actions such as visitor traffic to the website. The information generated by the cookie and/or web beacon about your use of this website will be transmitted to and stored by Google on servers in the United States. Google uses the information obtained in this way to evaluate your usage behaviour with regard to the AdSense ads. Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. Google will not associate your IP address with any other data stored by Google. You can prevent the storage of cookies on your hard drive and the display of web beacons. To do this, you must select "Do not accept cookies" in your browser settings (in Internet Explorer under "Extras / Internet options / Data protection / Settings", in Firefox under "Extras / Settings / Data protection / Cookies").
